

Regional Municipality of Durham

Bid Opportunity: EOI-1152-2018 - A Partnership to procure, finance and share net costs arising from the Regional Municipality of Durham's Long-Term Organics Waste Management Solution

Closing Date: Tuesday, November 13, 2018 2:00 PM

Addendum number 1 – October 25, 2018

This addendum will form a part of the bid documents for the above-noted bid and shall be read in conjunction therewith. This addendum will take precedence over all requirements of the original bid documents and any addenda issued previously.

Question 1:

I was unable to locate Appendix A under documents. Can you please provide Appendix A?

Answer 1:

Appendix A – Questions can be found in the “Electronic Submission Form” in bidsandtenders.ca.

For reference purposes only, below is a preview of Appendix A – Questions. Respondents **must complete** the Electronic Submission Form Appendix A - Questions in bidsandtenders.ca, to be considered. (Only the registered plan takers can view, complete and submit the electronic form).

Appendix A - Questions

1. If you were to enter into a Business Partnership with the Region (as defined in the EOI), what type of involvement/partnership and level of investment in the initial and/or ongoing financial/capital/operating and/or maintenance costs in the Project (as defined in the EOI) would you be contemplating? Please provide details in terms of conditions on any sharing of duties, rights, obligations, financing/cost sharing, and or risks.
2. What would be your expectations regarding the sharing in the environmental attributes, beneficial by-products and/or revenues arising from the Project? Please provide details.
3. How would your involvement in the AD Project benefit the region (i.e what benefits would the region realize), including those related to economic development.
